

Make Third Party Due Diligence a Competitive Advantage

Minimize Anti-Corruption & Anti-Bribery Risk

The **CompliCheck Third Party Due Diligence Module** simplifies the tasks of completing a risk-based assessment of entities conducting business on your behalf. Most businesses underestimate their third-party compliance risk until it's too late. Don't be blindsided by unseen bribery or corruption anywhere in your global supply chain.

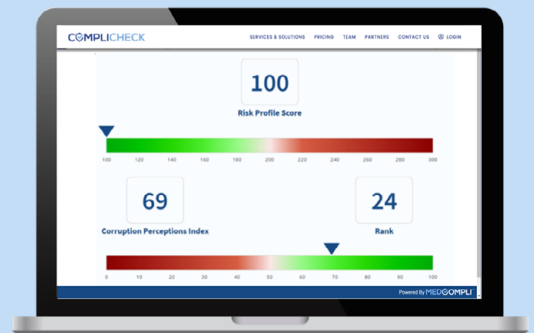

CompliCheck will give you peace of mind, while protecting your bottom line and your reputation.

We Simplify Third Party Due Diligence

You can get started in just a few minutes. Benefits include the ability to:

- › Monitor and communicate with all your third parties, from one user-friendly dashboard
- › Get instant risk-rate scores, to make better decisions about your business relationships.
- › Generate detailed reports in one click and respond quickly to audits - both internal and external.
- › Use the latest, gold-standard compliance questionnaires for your industry, or create your own, distribute and monitor results efficiently at scale

Get crystal clear visibility into every third-party relationship

CompliCheck's cloud-based, third-party portal will reduce your team's burden, consolidate your record keeping, and streamline compliance management across all lines of business. We make it easy for all stakeholders, risk managers and external vendors to communicate and collaborate in one place.
